Old Business:

1. David and Sandra sent a preliminary list of photography attractions for newcomers to the area to be posted on the website. Several places to be added were suggested; namely, Drayton Plantation, Tomatly Plantation, Middleton Plantation, and Mepkim Abbey.
2. Presenter for March – Jamie Konarski Davidson on mirrorless cameras; April – David on an undecided topic; May - Kenny McKeithan; June – undetermined. Linda will lead the June meeting in Ed's absence. Fred is exploring two possible beach photographers to present.
3. Kathy People's Portrait workshop was well-received. She sent another handout to all participants through Ed, and discussion centered on plans to hold future workshops with her. One possibility is a two-day event with the first day an outdoor shoot and the second day a post-processing workshop. Member John Kester is exploring possible sites for the outdoor shoot. One possibility is Morgan Park in Georgetown.

There being no further business, the meeting was adjourned at 9:22.

Respectfully submitted,

Linda Dittrich
