

Image Renaming

To rename an image, right click on the file name and the name will highlight, now enter the new file name. The naming convention for the Photo contest images is shown below.

Naming Convention:

All Photo's submitted for the Contest Must be Named, as this is how the judges will refer to your image. The file name should be:
Level_YourName_Image name.

For Level specify either: Open, Beginner, Intermediate or Advanced
Your name is your first initial and your last name.

For example, for my Open in the Jun contest, my image will be named:
Open_ERobidoux_Flower
