

Tidelands Photography Club Members,

As you know, Tidelands Photography Club has images on display at the Historical Winyah Auditorium in Georgetown. These images remain there for a four-month period, and it is time to change out the images for the months of April through July. However, that does not mean you cannot retrieve your images if a need arises.

David Fattalah and I will be taking down the current display sometime at the end of March and have them ready for pickup at the April 4<sup>th</sup> Tidelands Photography Club meeting. We will make arrangements for those who cannot attend to pick up their images.

For those of you who would like to display some of your works, please bring them to the April 4<sup>th</sup> meeting and David and I will hang them at the Auditorium soon after. If you cannot make the meeting, please let us know and again we will make arrangements.

The images can be framed or canvas prints, but they do need to be fitted for wire hanging. Any size will be fine.

This is a great way to showcase your images as a member of the Tidelands Photography Club .

If you have any questions, please do not hesitate to contact me at
